# Green Gardeners

in Santa Barbara County

**Green Gardeners (alphabetically by last name)**

N: North County  
S: South County

**If resource conservation is important to you, let your landscaping show it.**

These landscape maintenance professionals have been trained to make environmentally responsible, economically sound landscape maintenance decisions.

All listed individuals successfully completed the Green Gardener Program (GGP).

Green Gardener listing applies to the individual, not to the company that employs the landscape professional.

The GGP sponsors make no representations, warranties, or guarantees concerning the work performed by any of the listed cardholders.

It is your responsibility to check that all required licenses and insurance are in place for specified work.

*In spring 2009 Santa Barbara City College revised its Green Gardener classes, combining the "basic" and "advanced" classes into a single longer course which provides graduates with a SBCC certificate of accomplishment. Therefore, the Green Gardener Program List has similarly been revised into a single list rather than two separate lists.*
